Application for 2010 Partnership

Who:

The Community Sailing Center is a community based non-profit organization that operates on Burlington's waterfront offering educational and recreational programming for all people. CSC joins in partnerships with other local organizations and schools to bring responsible and safe boating on Lake Champlain closer to everyone in the greater Burlington community.

Our Mission is to encourage and celebrate the responsible use and long-term stewardship of Lake Champlain by fostering educational and recreational opportunities for all members of our community.

What:**Youth Environmental Stewardship:**

The Youth Environmental Stewardship Program is an innovative environmental education program designed to engage elementary and middle school students outside and on the lake after school! It is a great opportunity for Youth Service Providers to provide a program that combines fun, structured curricula, experiential learning and community building. An experience at the Community Sailing Center can give students a renewed appreciation for the environment and empower them to be stewards of Lake Champlain.

Where:

The Youth Environmental Stewardship Program operates out of the CSC facility on the waterfront. All instruction, education materials, and staffing is provided. Transportation is the only thing not included in the program.

When:

Spring Season: May 3 – June 11.

Fall Season: September 7 – October 11.

Process:

Complete application and include a letter of support. A letter of support includes information on your organization, the population you serve, why you would like to be involved in this program, and what benefit it would provide to your group.
