Thank you for your interest in the Junior Instructor Program!

The JI program offers young adults the opportunity to work with sailing professionals to deliver instructional camps at the Community Sailing Center. A typical day may include: helping with morning check-in and afternoon check-out, working with staff to clean up each afternoon, supporting an instructor aboard a powerboat, skippering a dinghy with or without campers aboard, or leading a fun game ashore.

Prerequisites:

- At least 15 years old
- Successful completion of a Community Sailing Center *Level III* and a *Laser* or *Summer Race* or *Advanced 420* program.
- Successful completion of the Junior Instructor Camp offered **June 16-20, 2025**
- Positive attitude, a willingness to work, and enthusiasm for working in a fun, fast-paced environment
- Interest in being a role model and coach for younger sailors and peers
- Commitment to the goals and mission of the CSC
- Knowledge of sailing, seamanship, and sportsmanship
- Be punctual, reliable, and work well as a member of a team and independently with basic supervision

Work Requirements:

Minimum of 2 weeks, Monday-Friday, 9 am – 4 pm. Weeks do not need to be consecutive. The Junior Instructor schedule will be created according to availability and need prior to the beginning of the summer with continuous updates as camp enrollment fluctuates. Some opportunities for “on call” JIs may be available if our program needs dictate. JIs can also volunteer on Saturday mornings from 10 am – 1 pm to assist the Saturday Free Sail program.

Benefits:

- 2 week commitment: 25% off JI Camp
- 4 week commitment: 30% off JI Camp
- **Every JI gets a Dinghy Season Pass**
- Returning JIs get Full Scholarship for JI Camp

This is a terrific opportunity to develop your teaching and leadership skills, share your passion for sailing with young people, and get out and have fun on Lake Champlain this summer! Check out additional details and camp schedules online at: www.communitysailingcenter.org. Please feel free to contact me if you have any questions.

Best,

Being a Junior Instructor is rewarding but challenging work. JIs may face boating challenges on the water and interpersonal challenges in class with campers. Even when things get difficult, JIs must keep a professional attitude and remain positive role models. What is it that motivates you to be a Junior Instructor?

Why do you think you would make a good Junior Instructor? What qualities and/or experiences do you have that would make you a great instructor?

What does it mean to be a role model? Is there an instructor who you look to as a role model?

Have you ever participated in a CSC Summer Race Program or Laser! Camp? ___ Yes ___ No

If you answered "No" please describe the equivalent program in which you participated and explain why it helped prepare you for a prospective Junior Instructor role at the CSC.

What is your experience working with kids? Which ages do you feel most comfortable working with?

Have you ever been in a leadership position before? If so please describe.

Which camps/programs have you participated in at the CSC?

How many weeks would you like to devote to the program?
